All Condominium initial start-up fees not previously expended by the Developer for any of the foregoing items, or reimbursed to the Developer for previous expenditures for any of the foregoing items, shall be turned over to the Association at such time as Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association. The payment of the initial start-up fee shall not operate to relieve the Unit Owner who paid it from commencing payment of the periodic assessments provided for in Subsection 11.1, or elsewhere in this Declaration. The initial start-up fee for working capital shall not be used for payment of common expenses prior to the expiration of the period during which the developer is excused from payment of assessments pursuant to Section 12.6 of this Declaration.

## 12 COLLECTION OF ASSESSMENTS AND CHARGES

12.1 Liability for Assessments and Charges. Every Unit Owner, regardless of how he acquired his Unit, (including by purchase at a foreclosure sale or by deed in lieu of foreclosure) shall be liable for all Assessments and Charges which come due while he is the unit owner. Additionally, a unit owner is jointly and severally liable with the previous owner for all unpaid assessments that came due up to the time of transfer of title. This liability is without prejudice to any right the owner may have to recover from the previous owner the amounts paid by the owner. In a voluntary conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments and Charges against the grantor for his share of the Common expenses or otherwise up to the time of the conveyance, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. The liability for Assessments and Charges may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments and Charges are made or otherwise.

### 12.2 Default in Payment of Assessments and Charges

12.2.1 Delinquent Assessments and Charges. Assessments and Charges and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at the highest lawful rate from the due date until paid. In addition to interest, the Association may charge a late fee in an amount not to exceed the greater of \$25.00 or 5% of each installment of the assessment or charge for each delinquent installment that the payment is late. Any payment received by the Association shall be applied first to any interest accrued by the Association, then to the administrative late fee, then to costs and attorney's fees incurred in collection, and then to the delinquent assessment or charge. This shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying payment. The Association has a lien on each Condominium Parcel for any unpaid Assessments and Charges on it including interest thereon at the highest lawful rate and for reasonable attorney's fees and costs incurred by the Association in connection with the collection of the Assessments or Charges enforcement of the lien. The lien is effective from the date of the recording of this Declaration. However, as to first mortgagees of record, the lien is effective from and after the date of recording a claim of lien.

12.2.2 Notice of Lien. The lien shall be recorded in the Public Records of Orange County, Florida, and state the description of the condominium parcel, the name of record owner, the name and address of the association, the amount due and the due date. It must also be executed and acknowledged by an officer or authorized agent of the association. No such lien shall continue for a longer period than one (1) year after the claim of lien has been recorded unless within that time, an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid Assessments and Charges, interest, costs and attorney's fees which are due and which may accrue subsequent to recording of the claim of lien and prior to entry of final judgment of foreclosure. A claim of lien must be signed and acknowledged by

an officer or agent of the Association. Upon payment, the person making payment is entitled to a satisfaction of the lien.

### 12.3 Foreclosure.

12.3.1 Generally. The Association may bring an action in its name to foreclose a lien for unpaid Assessments and Charges in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments and Charges, together with other sums specified herein, without waiving any claim of lien.

12.3.2 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered against a Unit Owner until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments and Charges. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments and Charges, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association may not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner at the Unit Owner's last known address; and, upon such mailing, the notice shall be deemed to have been given, and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this Subsection 12.3 are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act. The notice requirements of this subsection do not apply if an action to foreclose a mortgage on the condominium unit is pending before any court; if the rights of the Association would be affected by such foreclosure; and if actual, constructive or substitute service of process has been made on the Unit Owner.

12.4 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit and the claim of lien is foreclosed, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit and the Association is entitled to the appointment of a receiver to collect the rent.

12.5 First Mortgagee. Notwithstanding the provisions of Paragraph 12.1 above, a first mortgagee who acquires title to any Unit by foreclosure or deed in lieu of foreclosure is liable for the unpaid Assessments and Charges that became due prior to the mortgagee's receipt of the deed and such amount for any unpaid Assessments and Charges shall be paid to Association within 30 days after transfer of title. However, the first mortgagee's liability is limited to a period not to exceed six (6) months, but in no event does the first mortgagee's liability exceed one (1%) percent of the original mortgage debt. In no event shall the first mortgagee be liable for more than six (6) months of the Unit's unpaid common expenses or Assessments and Charges accrued before the acquisition of the title to the Unit by the mortgagee, or one (1%) percent of the original mortgage debt, whichever amount is less.

12.6 Developer's Liability for Assessments and Charges  
The Developer shall be excused from the payment of the share of the Common Expenses and Assessments and Charges relating to Units it is offering for sale, for a period beginning with the

recording of this Declaration and ending at such time as Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association. However, the Developer must pay the portion of Common Expenses incurred during that period which exceeds the amount assessed against other Unit Owners. The Developer guarantees that a Unit Owner's Assessments and Charges shall not exceed the amounts set forth on Exhibit E attached hereto until after such time as Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association. The Developer has the option to extend the guarantee for up to four (4) additional six-month periods.

Notwithstanding the above and as provided in Section 718.116(9)(a)(2) of the Condominium Act, in the event of an Extraordinary Financial Event (as hereinafter defined), the costs necessary to effect restoration shall be assessed against all Owners owning Units on the date of such Extraordinary Financial Event, and their successors and assigns, including the Developer (with respect to Units owned by the Developer). As used in this subsection, an "Extraordinary Financial Event" shall mean a casualty loss affecting the Condominium resulting from a natural disaster or act of God, which is not covered by insurance proceeds from the insurance maintained by the Association as required by Section 718.111(11)(a) of the Condominium Act.

12.7 Certificate of Unpaid Assessments and Charges. Each Unit Owner has the right to require from the Association a certificate showing the amount of unpaid Assessments and Charges against him with respect to his Unit.

12.8 Installments. Unless changed by action of the Board, Assessments and Charges will be payable in advance in quarterly installments, and a Unit Owner must remain at all times at least one quarter in advance of the payment dates.

12.9 Receiving Agent. The Board of Directors may, at any time and from time to time, appoint the Condominium Association, or an independent receiving agent as agent to receive all Assessments and Charges and all Assessments and Charges and other charges payable under this Declaration in one lump sum and to then disburse such sums. No agent shall have any liability except for its gross negligence or willful misconduct in receiving and disbursing monies. All enforcement actions shall remain solely within the respective associations individually, except as elsewhere herein provided to the contrary.

13. INSURANCE. Insurance covering portions of the Condominium Property shall be governed by the following provisions:

13.1 Purchase, Custody and Payment.

13.1.1 Purchase. All insurance policies described herein covering portions of the Condominium Property shall be purchased by the Association and shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida and which, in the case of hazard insurance, has either a financial rating in Best's Financial Insurance Reports of Class VI or better or a financial rating therein of Class V and a general policyholder's rating of at least "A."

13.1.2 Approval. Each insurance policy, the agency and company issuing the policy and the insurance trustee hereinafter described (the "Insurance Trustee") shall be subject

to the approval of the Primary Institutional First Mortgagees in the first instance.

13.1.3 Named Insured. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be additional insureds.

13.1.4 Custody of Policies and Payment of Proceeds. All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee, and all policies and endorsements thereto shall be deposited with the Insurance Trustee.

13.1.5 Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.

13.1.6 Personal Property and Liability. Unit Owners may obtain insurance coverage at their own expense and in their own discretion upon the property lying within the boundaries of their unit, including, but not limited to, their personal property (except as covered in Section 13.2.1 below), and for their personal liability and living expense and for any other risks.

13.2 Coverage. The Association shall maintain insurance covering the following:

13.2.1 Casualty. The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units initially installed in accordance with the original plans and specifications therefor, and replacements thereof of like kind or quality, but excluding all floor, wall and ceiling coverings and all furniture, furnishings and other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners and excluding all other alterations, capital improvements and betterments made by Unit Owners or such tenants) and all Improvements located on the Common Elements from time to time, together with all service machinery contained therein (collectively the "Insured Property"), shall be insured in an amount not less than one hundred percent (100%) of the insurable value thereof (based on replacement cost), excluding foundation and excavation costs. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

13.2.1.1 Loss or Damage by Fire and Other Hazards covered by a standard extended coverage endorsement; and

13.2.1.2 Such Other Risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

13.2.2 Liability. Comprehensive general public liability and automobile liability insurance covering loss or

damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such additional coverage as shall be required by the Board of Directors of the Association, and with coverage of not less than \$1,000,000 per each accident or occurrence, for personal injury and/or property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa.

13.2.3 Workmen's compensation and other mandatory insurance when applicable.

13.2.4 Flood insurance, if required by the Primary Institutional First Mortgagee or if the Association so elects.

13.2.5 Fidelity bonding The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. As used in this section, the term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks, and the President, Secretary and Treasurer of the Association. The Association shall bear the cost of bonding.

13.2.6 Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's standard right to: (i) subrogation against the Association and against the Unit Owners individually and as a group, (ii) pay only a fraction of any loss in the event of co-insurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, or by a member of the Board of Directors of the Association or by one or more Unit Owners.

13.3 Additional Provisions. All policies of physical damage insurance shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors shall obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.

13.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.

13.5 Insurance Trustee; Share of Proceeds. All insurance policies obtained by the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors and which, if so appointed, shall be a bank, or trust

company in Florida with trust powers, with its principal place of business in the County. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee (if appointed) shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but which shares need not be set forth on the records of the Insurance Trustee:

13.5.1 Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in Subsection 13.5.2 below.

13.5.2 Optional Property. Proceeds on account of damage solely to Units and/or certain portions or all of the contents thereof not included in the insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any, collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or of other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.

13.5.3 Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

13.6 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:

13.6.1 Expenses of the Trust. First, all expenses of the Insurance Trustee shall be paid or provided for.

13.6.2 Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.

13.6.3 Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Subsection 13.5 above, and distributed first to all Institutional First

Mortgagees in an amount sufficient to pay off their mortgages, and the balance, if any, to the beneficial owners.

13.6.4 Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

13.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

13.8 Unit Owners' Personal Coverage. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.

13.9 Benefit of Mortgagees. Certain provisions in this Section 13 entitled "Insurance" are for the benefit of mortgagees of Units and may be enforced by such mortgagees.

13.10 Insurance Trustee Not Appointed. The Board of Directors shall have the option in its discretion of appointing an Insurance Trustee hereunder. Anything to the contrary in this Declaration notwithstanding, if the Association fails or elects not to appoint an Insurance Trustee, the Association shall perform directly all obligations imposed upon the Insurance Trustee by this Declaration.

#### 14 RECONSTRUCTION OR REPAIR AFTER FIRE OR OTHER CASUALTY.

14.1 Determination to Reconstruct or Repair. In the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty unless 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is destroyed or substantially damaged and Unit Owners owning 80% or more of the Units elect not to proceed with repairs or restoration and Institutional First Mortgagees holding mortgages on at least 51% of the Units subject to mortgages held by Institutional First Mortgagees approve such election], the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. If 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning 80% of the Units duly and promptly resolve not to proceed with the repair or restoration thereof and the Institutional First Mortgagees holding mortgages on at least 51% of the Units subject to mortgages held by Institutional First Mortgagees approve such resolution, the Condominium property will not be repaired and shall be subject to an action for partition

instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the Insured Property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no Payment shall be made to a Unit Owner until there has first been paid off out of his share of such fund all mortgages and liens on his Unit in the order of priority of such mortgages and liens. Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than ninety (90) days after the Insurance Trustee notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

14.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements; or if not, then in substantial accordance with the plans and specifications approved by the Board of Directors, and if the damaged property which is to be substantially altered is the Building or the Optional Property, by the Owners of not less than 80% of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be substantially altered.

14.3 Special Responsibility. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit-by-Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

14.4 Estimate of Costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

14.5 Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time

during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments and Charges on account of damage to the Insured Property shall be in proportion to all of the Owners' respective shares in the Common Elements.

14.6 Construction Funds. The funds for payment of the costs of reconstruction and repair, which shall consist of proceeds of insurance held by the Insurance Trustee and funds collected by the Association from Assessments and Charges against Unit Owners, shall be disbursed in payment of such costs in the following manner:

14.6.1 Association. If the total Assessments and Charges made by the Association in order to provide funds for payment of the costs of reconstruction and repair which are the responsibility of the Association are more than \$50,000.00, then the sums paid upon such Assessments and Charges shall be deposited by the Association with the Insurance Trustee. In all other cases, the Association shall hold the sums paid upon such Assessments and Charges and disburse the same in Payment of the costs of reconstruction and repair.

14.6.2 Disbursement. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

14.6.2.1 Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$50,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon written request to the Insurance Trustee by the Primary Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

14.6.2.2 Association - Major Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$50,000.00, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by Subsection 14.6.2.1 above, but then only upon the further approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

14.6.2.3 Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in

excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

14.6.2.4 Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that part of a distribution to an Owner which is not in excess of Assessments and Charges paid by such Owner into the construction fund shall not be made payable to any mortgagee.

14.6.2.5 Certificate. Notwithstanding the provisions herein, the Insurance Trustee (if appointed) shall not be required to determine whether or not sums paid by Unit Owners upon Assessments and Charges shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Assessments and Charges paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

14.7 Benefit of Mortgagees. Certain provisions in this Section 14 are for the benefit of mortgagees of Units and may be enforced by any of them.

## 15 CONDEMNATION.

15.1 Deposit of Awards with Insurance Trustee; Authority of Association. The taking of portions of the Condominium Property by the exercise of the power or eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, the amount of that award shall be set off against the sums hereafter made payable to that Owner, or the Association may institute a lawsuit against such Unit Owner to collect such sums. The Association shall represent the Unit Owners in any condemnation proceedings relating to any part of the Common Elements and in negotiations, settlements and agreements with the condemning authorities for the acquisition of any part of the Common Elements.

15.2 Determination whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and

repaired after casualty. For this purpose, the taking by eminent domain shall also be deemed to be a casualty.

15.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and special Assessments and Charges will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made useable in the manner provided below. The proceeds of the awards and special Assessments and Charges shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty, or as elsewhere in this Section 15 specifically provided.

15.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium.

15.4.1 Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be paid by the Owner of the Unit.

15.4.2 Distribution of Surplus. The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.

15.4.3 Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements and of the Common Expenses and Common Surplus appurtenant to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the taking and the denominator of which shall be the area in square feet of the Unit before the taking. The shares of all Unit Owners in the Common Elements, Common Expenses and Common Surplus shall then be restated as follows:

15.4.3.1 Add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentage Balance"); and

15.4.3.2 Divide each percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

15.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

15.5.1 Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments and Charges; third, jointly to the affected Unit Owners and other mortgagees of their Units as their interests may appear. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.

15.5.2 Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.

15.5.3 Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as follows:

15.5.3.1 Add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by Subsection 15.4.3 hereof (the "Percentage Balance"); and

15.5.3.2 Divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by Subsection 15.4.3 hereof, by the Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

15.5.4 Assessments and Charges. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments and Charges against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments and Charges shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

15.5.5 Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be three appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings

shall be assessed against all Unit Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking.

15.6            Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements useable in the manner approved by the Board of Directors; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

15.7            Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of all Directors of the Association.

16            RESIDENTIAL OCCUPANCY AND USE RESTRICTIONS. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Units in the Condominium Property shall be restricted as follows:

16.1            Occupancy of Units. Each Residential Unit shall be used as a residence only, except as otherwise herein expressly provided. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families and guests: (i) the individual Unit Owner, (ii) an officer, director, stockholder or employee of such corporation, (iii) a partner or employee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be. Occupants of an approved leased Unit must be the following persons, and such persons' families and guests: (i) an individual lessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, (iii) a partner or employee of a partnership lessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee. Under no circumstances may more than one family reside in a Unit at one time. "Families" or words of similar import used herein shall be deemed to mean (1) a group of natural persons related to each other by blood or legally related to each other by marriage or adoption, or (2) a group of not more than four (4) persons not so related who maintain a common household in a Unit. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per each bedroom in the Units. The Board of Directors shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above. The restrictions in this Subsection 16.1 shall not be applicable to units owned by the Developer.

16.2            Pets. Unless it has been approved by the Association's Board of Directors, no animal may be kept

anywhere on the Condominium Properties unless it is: (i) a small bird; (ii) fish; (iii) a dog, which when fully grown, will weigh less than seventy five (75) pounds; (iv) a household cat; or (v) some other "household pet" (as defined by the Board of Directors) which is capable of being hand-carried. With the exception of birds and fish housed in a cage or aquarium within the Owner's Unit, no Owner may keep more than two (2) pets on the Condominium Property. No pet may be kept, bred or maintained for any commercial purpose or become a nuisance or annoyance to neighbors. Unit Owners must pick up all solid wastes of their pets and dispose of such wastes appropriately. All pets (including cats) must be leashed or carried by hand at all times when outside the Unit. No animal may be kept on a balcony or terrace when its owner is not in the Unit. Without limiting the generality to Section 18 hereof, violation of the provision of this Paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property upon three (3) days' notice.

16.3           Alterations. Without limiting the generality of Subsection 9.1 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto or Common Elements (including, but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antenna, machinery or air-conditioning units, installing balcony enclosures or in any other manner changing the appearance of any portion of the Building) without obtaining the prior written consent of the Association (in the manner specified in Section 9.1 hereof). Without limiting the generality of the foregoing, nothing shall be hung, displayed, installed, affixed or placed upon the exterior of the Building, nor may any other change be made to the Building which would affect its exterior appearance in any way, without the prior written consent of the Association. In general, the Condominium Property shall be kept free and clear of unsightly material.

16.4           Use of Common Elements. The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

16.5           Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium Property, nor shall be allowed on the Condominium Property, nor shall any use or practice be allowed which is a source of annoyance to residents or occupants of Units or which interferes with the peaceful possession or proper use of the Condominium Property by its residents or occupants.

16.6           No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction, relating to any portion of the Condominium Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth.

16.7 Leases. No portion of a Unit (other than an entire Unit) may be rented. All leases must be in writing and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles of Incorporation and By-Laws of the Association, applicable rules and regulations, or other applicable provisions of any agreement, document or instrument governing the Condominium or administered by the Association. All leases shall be subject to this Declaration, the Articles of Incorporation, By-Laws, and Rules and Regulations of the Association. Subleasing of Units is prohibited. No lease of a Unit shall release or discharge the Unit Owner from the Unit Owner's compliance with this Declaration, or any of the Unit Owner's other duties as a Unit Owner. The leasing of Units shall also be subject to the prior written approval of the Association. All Unit Owners will be jointly and severally liable with their tenants to the Association for any amount which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. No Unit may be leased for an initial term of less than seven (7) months. If a Unit is leased and the tenant or lessee vacates the Unit prior to the expiration of seven (7) months, the Unit may not be occupied by another tenant or lessee within three (3) months from the date that the prior tenant or lessee initially occupied the Unit. For example, if the vacating tenant or lessee initially occupied the Unit on January 15, 2003, the Unit may not be occupied by another tenant or lessee until March 15, 2003.

16.8 Exterior Improvements; Landscaping. Without limiting the generality of Subsections 9.1 or 16.3 hereof, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, equipment, screens, furniture, fixtures and hurricane shutters), nor to be planted or grown any type of shrubbery, flower, tree, vine, grass or other plant life outside his Unit, without the prior written consent of the Association.

16.9 Security. The rights of access and use established with respect to the Condominium Property may be subject to security checks and restrictions. If Security personnel are employed by the Association they will have the right to stop and question persons and to require satisfactory evidence of any such person's right to be where such person is stopped. Persons not establishing that right to the satisfaction of the security personnel may be required to leave (even if such person actually has the right to be where stopped, but is unable to prove such right satisfactorily). Nothing in this paragraph shall be deemed to require the Association or the Developer to hire Security Personnel

16.10 Effect on Primary Institutional First Mortgagee. The restrictions and limitations set forth in this Section 16 shall not apply to the Primary Institutional First Mortgagee or any of its affiliates or to Units owned by any of them.

16.11 Effect on Developer. The restrictions and limitations set forth in this Section 16 shall not apply to the Developer or its affiliates or to Units owned by any

of them, except that Subsections 16.2 and 16.7 hereof shall apply to the Developer and its affiliates.

16.12 Relief by Association. The Board of Directors shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 16 for good cause shown.

16.13 Time-Share Estates. Time-share estates are prohibited.

16.14 Parking. No parking space may be used for any purpose other than parking automobiles, mini-vans, non-work vans, motorcycles, or pick-up trucks for the personal use of the owner up to a maximum of three-quarter (3/4) ton capacity trucks that are in operating condition. Recreational vehicles, motorhomes, trailers, boats, trucks, or other commercial vehicles (other than non-work trucks used for transportation) may not be parked in any parking space or parked or placed on any portion of the Condominium Property, unless permitted by the Board of Directors. Temporary parking of trucks and commercial vehicles for pick-up, delivery and other commercial services is permitted. In the event that the Board of Directors permits recreational vehicles or motorhomes to be parked in designated areas, overnight occupancy of these vehicles is prohibited. No parking space may be used by any person other than a person properly occupying the Unit pursuant to Section 16.1, provided that the guest or visitor of a person properly occupying the Unit pursuant to Section 16.1 may use the parking space so long as such guest or visitor is actually visiting and upon the premises.

16.15 Developer Exemption. Until such time as the Developer has closed the sale of all of its Units in the Condominium, neither the Unit Owners nor the Association shall interfere with the Developer's sale of its Units. The Developer may make such use of the unsold Units and Common Elements as may facilitate its sales, including but not limited to the maintenance of a sales office, model Units, the showing of the property, and the display of advertising and signs.

17 NOTIFICATION OF THE TRANSFER OF UNITS. Any Unit Owner who transfers the ownership of their Unit, whether by sale, contract for deed, gift or other conveyance, shall at least ten (10) days prior to the transfer of such Unit, notify the Association of the pending transfer of the Unit and provide the Association with the name of the person or entity to whom the Unit is being transferred. In addition, the Unit Owner must provide a forwarding mailing address where such Unit Owner will receive mail.

18 COMPLIANCE AND DEFAULT. Each Unit Owner and every occupant of a Unit and the Association shall be governed by and shall comply with the terms of this Declaration and all exhibits annexed hereto, and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

18.1 Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or

lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected in respect of such negligence by the association.

18.2 Compliance. In the event a Unit Owner or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the applicable provisions of the Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property, the Association shall have the right to bring an action for damages or for injunctive relief, or both, as provided in the Act.

18.3 Costs and Attorneys' Fees. In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees) as may be awarded by the court.

18.4 No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.

19 TERMINATION OF CONDOMINIUM. The Condominium shall continue until (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (ii) such time as withdrawal of the Condominium Property from the provisions of the Act is authorized by a consent of Owners. In the event such withdrawal is authorized as aforesaid, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens on his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the Public Records of the County.

20 ADDITIONAL RIGHTS OF INSTITUTIONAL FIRST MORTGAGEES. In addition to all other rights herein set forth, every Institutional First Mortgagee and every insurer and governmental guarantor of a first mortgage held by an Institutional First Mortgagee shall have the right, upon written request to the Association identifying itself and the Units subject to a first mortgage it holds or has insured or guaranteed, to:

20.1 Examine, during normal business hours or other reasonable circumstances, the Association's books, records and financial statements, and current copies of this Declaration, of the Association's Articles and By-Laws, and of its rules and regulations;

20.2 Receive notice of Association meetings and attend such meetings;

20.3 Receive notice of an alleged default by any Unit Owner whose Unit is subject to a mortgage it holds or has insured or guaranteed, if the default is not cured within sixty (60) days after notice of the default to the Unit Owner; and

20.4 Receive notice of any condemnation or casualty loss which affects a Unit subject to a mortgage it holds or has insured or guaranteed or which affects a major portion of the Condominium Property.

20.5 Have prepared at its (i.e., the requesting Institutional First Mortgagee's, insurer's or guarantor's [as the case may be]) expense, within a reasonable time after it requests it, an audited financial statement of the Association for the immediately preceding fiscal year.

20.6 Receive notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

20.7 Receive notice of any proposed action by the Association which would require hereunder the consent or approval of a specified percentage of Institutional First Mortgagees.

21 {Intentionally omitted.}

22 WATER AND SEWER LINES. The water line from each building up to, but not including, the water meter, shall be part of the Common Elements and maintained by the Association. Each water meter and the lines supplying water from the water source to the water meter is not a part of the Condominium Property and is owned and maintained by the Orlando Utilities Commission (water and sewer). The sewer line from each building up to, but not including, the main collection line, shall be part of the Common Elements and maintained by the Association. The main collection line and the sewer line from there to the sewage treatment facility is not a part of the Condominium Property and is owned and maintained by Orlando Utilities Commission. The Developer may provide maintenance bonds for the water and sewer system respectively. If during the term of any such bond any Unit Owner or the Association's agents or employees, through their own negligence, damage the water or sewer system, and the Developer is required by the Orlando Utilities Commission or Orange County to pay for the necessary repairs to such system, then the Condominium Association shall promptly reimburse the Developer for the cost of repairs to the Water System or the Sewer System which are necessitated by the negligence of any of the Unit Owners or the Condominium Association's agents or employees.

23 COVENANT RUNNING WITH THE LAND. All provisions of this Declaration, the Articles, By-Laws and applicable rules and regulations of the Association, affecting the Unit Owners (whether or not recorded), shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and subsequent owner(s) of the Land or any part thereof, or interest therein, and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as

creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration and such Articles, By-Laws and applicable rules and regulations, as they may be amended from time to time, (whether or not recorded in the Public Records of the County). The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration, and the Articles, By-Laws and applicable rules and regulations of the Association, s they may be amended from time to time, by such Unit Owner, tenant or occupant.

24      SURFACE WATER OR STORMWATER MANAGEMENT SYSTEM.

24.1      Maintenance. The Association shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other Surface Water or Stormwater management capabilities as permitted by the St. Johns River Water Management District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the St. Johns River Water Management District. Assessments and Charges shall also be used for the maintenance and repair of the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements.

24.2      Enforcement. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water or Stormwater Management System.

24.3      Amendment. Any amendment to this Declaration which alters the Surface Water or Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of the St. Johns River Water Management District.

25      ADDITIONAL PROVISIONS.

25.1      Notices. All notices to the Association required or desired hereunder or under the By-Laws of the Association shall be sent by certified mail (return receipt requested) to the Association in care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in the Act, all notices to any Unit Owner shall be sent by first class mail to the Condominium address of such Unit Owner, or such other address as may have been designated by him from time to time, in writing, to the Association, or hand-delivered to such Unit Owner. Any notice which is mailed to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address, as may be designated by them from time to time, in writing to the Association. All notices shall be deemed to have been given when mailed in a postage prepaid sealed wrapper, except

notices of a change of address, which shall be deemed to have been given when received.

25.2 Interpretation. The Board of Directors of the Association shall be responsible for interpreting the provisions hereof and of any of the Exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of counsel that any interpretation adopted by the Association is not unreasonable shall conclusively establish the validity of such interpretation.

25.3 Mortgagees. The Association may assume each unit is free of any mortgages or liens, unless written notice of the existence of a mortgage or lien on the Unit is received by the Association.

25.4 Exhibits. There is hereby incorporated in this Declaration any materials contained in the Exhibits annexed hereto which under the Act are required to be part of the Declaration.

25.5 Signature of President and Secretary. Wherever the signature of the President of the Association is required hereunder, the signature of a vice-president may be substituted therefor, and wherever the signature of the Secretary of the Association is required hereunder, the signature of an assistant secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in two separate capacities.

25.6 Governing Law. Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration, the Exhibits annexed hereto or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Florida.

25.7 Severability. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration, the Exhibits annexed hereto, applicable rules and regulations adopted pursuant to such documents, or applicable management contracts, as the same may be amended from time to time, shall not affect the validity of the remaining portions hereof or thereof which shall remain in full force and effect.

25.8 Waiver. No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, without regard to the number of violations or breaches which may occur.

25.9 Ratification. Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Unit, by reason of his occupancy, shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles and By-Laws of the Association, and the applicable rules and regulations and management contracts are fair and reasonable in all material respects.

25.10 Gender; Plurality. Wherever the context so permits, the singular shall include the plural, the

plural shall include the singular, and the use of any gender shall be deemed to include all or no genders.

25.11 Captions. The captions herein and in the Exhibits annexed hereto are inserted only as a matter of convenience and for ease of reference and in no way define or limit the scope of the particular document or any provision thereof.

25.12 Orlando Utilities Commission: Developer has entered into a commercial chilled water Submetering Agreement with Orlando Utilities Commission and has notified the Unit Owners of the existence and requirements of this Agreement. Unit Owners hereby acknowledge the existence of this Agreement and agree to be bound by the terms contained therein, including without limitation Unit Owner requirements to timely pay all bills, refrain from damaging or otherwise tampering with Submeters and metering equipment, and Orlando Utilities Commission's right of access.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed this 30th day of September, 2005.

ARTICLE 10

INDEMNIFICATION

10.1 Indemnity. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, employee, officer or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding, unless (a) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court also determines specifically that indemnification should be denied. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

10.2 Expenses. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding

referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.

10.3 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Association in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the affected director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article 10.

10.4 Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking may be entitled under any by-law, agreement, vote of members or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.

10.5 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving, at the request of the Association, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

10.6 Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article 10 may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.

#### ARTICLE 11 RIGHTS OF DEVELOPER

Notwithstanding anything contained in these Articles of Incorporation, the Bylaws or the Declaration, D.T.O. DEVELOPMENT COMPANY, a limited liability company, which is the Developer of the Condominium, shall have full right and authority to manage the affairs of and the exclusive right to elect the directors of

the Association (who need not be Owners) until the following shall occur:

A. When fifteen percent (15%) or more of the Units that will be operated ultimately by the Association are conveyed to Owners other than Developer, such Owners (other than Developer) shall be entitled to elect not less than one-third (1/3) of the Board of Directors.

B. Owners other than Developer will be allowed to elect a majority of the members of the Board of Directors and control the Association at whichever of the following times shall first occur (**the "Turnover Date"**):

1. Three (3) years after Developer has sold fifty (50%) percent of the Units that will be ultimately operated by the Association.

2. Three (3) months after Developer has sold ninety (90%) percent of the Units that will be ultimately operated by the Association.

3. When all of the Units that will ultimately be operated by the Association have been completed and some of them have been sold and none of the others are being offered for sale by Developer in the ordinary course of business.

4. When Developer has sold some of the Units and none of the other Units are held by the Developer for sale in the ordinary course of business; or

5. Seven (7) years after recordation of the Declaration.

C. Developer shall be entitled to effect at least one (1) member of the Board of directors as long as Developer holds at least five percent (5%) of the Units in the Condominium for sale in the ordinary course of business. So long as the Developer holds Units for sale in the ordinary course of business, none of the following actions may be taken without approval in writing by the Developer:

1. Assessment or Charges of the Developer as an Owner for capital improvements.

2. Any action by the Association that would be detrimental to the sales of Units by the Developer, provided,

however, that an increase in Assessments for Common Expenses and/or Charges without discrimination against the Developer shall not be deemed to be detrimental to the sales of Units.

D. On the turnover Date, the Association shall execute in favor of the Developer a receipt and acknowledgment of all items delivered to the Association by the Developer and a commitment to maintain and operate all systems and equipment within the Condominium Property in accordance with the operating manuals and warranties therefor.

**BY-LAWS OF  
S.C.O. CONDOMINIUM ASSOCIATION, INC.**

1. Identity. These are the By-Laws of S.C.O. CONDOMINIUM ASSOCIATION, INC. (the "Association"), a corporation not for profit, incorporated under the laws of the State of Florida, and organized for the purpose of administering a condominium located in Orlando, Orange County, Florida known as THE SANCTUARY DOWNTOWN, A CONDOMINIUM.

1.1 Principal Office. The principal office of the Association shall be at 61 West Colonial Drive, Orlando, Florida 32801, or at such other place as may be subsequently designated by the Board of Directors. All books and records of the Association shall be kept at its principal office.

1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

1.3 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida," the words "Corporation Not for Profit," and the year of incorporation.

2. Definitions. For convenience, these By-Laws shall be referred to as the "By-Laws" and the Articles of Incorporation of the Association as the "Articles." The other terms used in these By-Laws shall have the same definition and meaning as those set forth in the Declaration of Condominium, unless herein provided to the contrary, or unless the context otherwise requires.

3. Members.

3.1 Annual Meeting. The annual members' meeting of all the Unit Owners of the Condominium shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than twelve (12) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business affecting the Condominium authorized to be transacted by the members, or as stated in the notice of the meeting sent to Unit Owners in advance thereof. Unless changed by the Board, the first annual meeting shall be held on the first Thursday in the month of February following the year in which the Declaration is recorded.

3.2 Special Meetings. Special members' meetings may be called for the entire membership, for those matters affecting the Condominium or the members thereof, and shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board of Directors of the Association, and must be called by the President or Secretary upon receipt of a written request from a majority of the members of the Association, or as provided elsewhere herein or in the Act. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting.

EXHIBIT C TO THE DECLARATION

3.3 Notice of Meeting; Waiver of Notice. Notice of all meetings of Unit Owners, including both special and annual meetings, shall be given by written notice. The written notice must include an agenda and shall be mailed or delivered to each Unit Owner at least fourteen (14) days prior to any annual or special meeting and shall be posted in a conspicuous place on the Condominium Property at least fourteen (14) continuous days preceding the annual or special meeting. Upon notice to the Unit Owners, the Board of Directors shall by duly adopted rule designate a special location on the Condominium Property, upon which all notices of Unit Owner meetings shall be posted.

Unless a Unit Owner waives in writing the right to receive notice of the annual meeting by mail, the notice of the annual meeting shall be sent by mail to each Unit Owner.

An officer of the Condominium Association, or the manager, or other person providing the notice of any Unit Owner meeting, shall provide an affidavit or United States postal certificate of mailing, to be included in the official records of the Condominium Association, affirming that the notice was mailed or hand-delivered in accordance with this provision, to each Unit Owner at the address last furnished to the Association.

Notice of special meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member) shall constitute such member's waiver of notice of such meeting, except when their (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

3.4 Quorum. A quorum at members' meeting shall be attained by the presence, either in person or by proxy, of persons entitled to cast a majority of the votes of the entire membership.

3.5 Voting.

(a) Number of Votes. Except as provided in paragraph 3.10 hereof, in any meeting of members, the Owners of Units shall be entitled to cast one vote for each Unit owned. The vote of a Unit shall not be divisible.

(b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Unit Owners of the particular constituency for which the action was taken for all purposes except where otherwise provided by law, the Declaration, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declaration, the terms "majority of the Unit Owners" and "majority of the members" shall mean a majority of the votes of members and not a majority of the members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Unit Owners at which a quorum shall have

been attained. Similarly, if some greater percentage of members is required herein or in the appropriate Declaration or Articles, it shall mean such greater percentage of the votes of members and not of the members themselves.

(c) Voting Member. If a Unit is owned by one person, his right to vote shall be established by the roster of members. If a Unit is owned by more than one person, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by all of the record owners of the Unit according to the roster of Unit Owners and filed with the Secretary of the Association. Such person must be one of the joint owners. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association. Such person need not be a Unit Owner. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the vote for a Unit may be revoked by any record owner of an undivided interest in the Unit. If a certificate designating the person entitled to cast the vote for a Unit for which such certificate is required is not on file or has been revoked, the vote of the Owner(s) of such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association or the appropriate voting constituency shall be reduced accordingly until such certificate is filed, except if the Unit is owned jointly by a husband and wife. If a Unit is owned jointly by a husband and wife, they may, without being required to do so, designate a voting member in the manner provided above. Such designee must be a Unit Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

(i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).

(ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Unit vote just as though he or she owned the Unit individually, and without establishing the concurrence of the absent person.

(iii) If both are present at a meeting and concur, either one may cast the Unit vote.

3.6 Proxies. Except as specifically otherwise provided herein, the Unit Owners may not vote by general proxy,

but may only vote by limited proxies. Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes concerning the following matters:

- (a) Votes taken to waive or reduce reserves.
- (b) Votes taken pursuant to Florida Statute Section 718.111(13) regarding financial reports.
- (c) Votes taken to amend the Declaration.
- (d) Votes taken to amend the Articles of Incorporation and the By-Laws.
- (e) Votes taken for any other matter for which the Act requires or permits vote of the Unit Owners.

No proxy, limited or general, shall be used in the election of the Board of Directors.

General proxies may be used for establishing a quorum and any other matter for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. Notwithstanding any of the provisions of this section, Unit Owners may vote in person at Unit Owner meetings.

Any proxy given shall be effective only for the specific meeting for which it was originally given and any lawfully adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days from the date of the first meeting for which it was given. Each proxy is revocable at any time at the pleasure of the Unit Owner executing it.

3.7 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as provided by law, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

3.8 Order of Business. If a quorum has been attained, the order of business at annual members' meetings, and, if applicable, at other members' meetings, shall be:

- (a) Call to order by President;
- (b) Any election ballots not yet cast shall be collected;
- (c) Appointment by the President of a chairman of the meeting (who need not be a member or a director);

(d) Proof of notice of the meeting or waiver of notice;

(e) Reading of minutes;

(f) Reports of officers;

(g) Reports of committees;

(h) Determination of number of Directors;

(i) Election of Directors;

(j) Unfinished business;

(k) New business;

(l) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

3.9 Minutes of Meeting. The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representatives and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.

3.10 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required to be taken at any annual or special meeting of members, or any action which may be taken at any annual or special meeting of such members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, shall be signed by the members (or persons authorized to cast the vote of any such member as elsewhere herein set forth) of the appropriate voting constituency having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of such members at which an appropriate quorum of such members (or authorized persons) entitled to vote thereon were present and voted. Within ten (10) days after obtaining such authorization by written consent, notice must be given to the appropriate members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

#### 4. Directors.

4.1 Membership. The affairs of the Association shall be governed by a Board of not less than three (3), nor more than nine (9) Directors, the exact number to be determined in the first instance in the Articles, and thereafter, except as provided herein, from time to time upon majority vote of the membership. Directors not appointed by the Developer must be Unit Owners.

4.2 Election of Condominium Directors. Election of Directors shall be conducted in the following manner:

(a) The members of the Board of Directors shall be elected by written ballot.

(b) Proxies shall in no event be used in electing the members of the Board of Directors, either in general elections or in elections to fill vacancies caused by recall, resignation or otherwise, unless otherwise provided in this section.

(c) Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing, or by mailing included in another Association mailing, or delivering regularly published newsletters, to each Unit Owner entitled to vote, a first notice of the date of the election.

(d) Any Unit Owner or other eligible person desiring to be a candidate of the Board of Directors must give written notice to the Association not less than forty (40) days before a scheduled election.

(e) In the event that an election is being conducted to recall and replace a member of the board of directors, voting may be done in person or by limited proxy.

(f) The Association shall mail or deliver a second notice of the election together with the written notice and agenda of the annual meeting, to all Unit Owners entitled to vote, together with a ballot which shall list all candidates at least 14 days prior to the annual meeting.

(g) Upon request of a candidate, the Association shall include an information sheet no larger than 8 ½" by 11", which information sheet must be furnished by the candidate to the Board of Directors not less than thirty five (35) days before the election, to be included with the mailing of the ballot, with the costs of the mailing and copying to be borne by the Association. However, the Association has no liability for the contents of the information sheets prepared by the candidates.

(h) Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirements; however at least twenty (20%) percent of the eligible voters must cast a ballot in order to have a ballot election of the members of the Board of Directors.

(i) No Unit Owner shall permit any other person to cast their ballot. Any Unit Owner who needs assistance in casting the ballot may obtain assistance in casting the ballot.

(j) The regular election shall occur on the day of the annual meeting.

(k) Notwithstanding the provisions of this subparagraph, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board.

#### 4.3 Vacancies and Removal.

(a) Vacancies in the Board of Directors occurring between annual meetings of members shall be filled in accordance with the election procedures provided in Paragraph 4.2, provided that all vacancies in directorships to which Directors were appointed by the Developer pursuant to the provisions of paragraph 4.15 hereof, shall be filled by the Developer without the necessity of any election. However, if both the Developer and the members other than the Developer are entitled to representation on the Board, then the vacancy on the Board previously occupied by a board member elected by members other than the Developer shall be filled in accordance with the election procedures provided in Paragraph 4.2.

(b) Any Director elected by the members may be removed by concurrence of a majority of the votes of the constituency electing such Director at a special meeting of such constituency called for that purpose. Such a meeting may be called by 10% of the Unit Owners giving notice of the meeting as required for a meeting of Unit Owners. The vacancy in the Board of Directors so created shall be filled by a majority vote of the remaining members, unless the Director was appointed by the Developer, in which case the Developer shall appoint another Director without the necessity of any meeting. However, in the event that the removal of the Director or Directors results in the inability to obtain a quorum of Directors in accordance with these By-Laws, the vacancies on the Board shall be filled in accordance with the rules promulgated by the Bureau of Condominiums. However, any Director elected in this manner shall only serve until such time as an election can be held in accordance with Paragraph 4.2. The conveyance of all Units owned by a Director in the Condominium (other than appointees of the Developer) shall constitute the resignation of such Director.

(c) Until a majority of the Directors are elected by the members other than the Developer of the Condominium, neither the first Directors of the Association, nor any Directors replacing them, nor any Directors named by the Developer, shall be subject to removal by members other than the Developer. The first Directors and Directors replacing them may be removed and replaced by the Developer without the necessity of any meeting. A board member who is elected or appointed by a developer may be recalled only by that developer. A board member who is elected by unit owners

other than a developer may be recalled only by unit owners other than a developer.

(d) If a vacancy on the Board of Directors results in the inability to obtain a quorum of Directors in accordance with these By-Laws, any Owner may apply to the Circuit Court within whose jurisdiction the Condominium lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Unit Owner shall mail to the Association and post in a conspicuous place on the Condominium Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these By-Laws. If, during such time, the Association fails to fill the vacancy(ies), the Unit Owner may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board of Directors, and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these By-Laws.

(e) Notwithstanding anything to the contrary herein, board members may be recalled in accordance with Florida Statutes Section 718.112(2)(j).

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the members and subsequently until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed members of the Board of Directors shall be held within ten (10) days of their election or appointment at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed, and notice will be given as if it were a regular meeting as required in Paragraph 4.6 below, and no further notice to the Board of the organizational meeting shall be necessary.

4.6 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. The notice must include an agenda. Regular meetings of the Board of Directors shall be open to all Unit Owners and notice of such meetings shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours in advance for the attention of the members of the Association, except in the event of an emergency. Any meeting of the Board of Directors shall be open to all Unit Owners. Any Unit Owner may tape record or video tape meetings of the Board of Directors. The right to attend such meetings includes the right to speak at such meetings with reference to all designated agenda items. The Board may adopt reasonable rules and regulations governing the tape

recording and video taping of any meeting. The Board may also adopt reasonable rules governing the frequency, duration and manner of Unit Owner statements. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. However, written notice of any meeting at which non-emergency special assessments or at which amendment to the rules regarding unit use will be considered shall be mailed or delivered to the Unit Owners and posted conspicuously on the condominium property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day requirement shall be made by an affidavit executed by the person who provides the notice and filed among the official records of the Association. Upon notice to the Unit Owners, the Board shall by duly adopted rule designate a specific location on the condominium property upon which all notices shall thereafter be posted. A notice of any meeting in which regular assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

4.7 Special Meetings. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors. Notice of the meeting shall be given to the Directors personally, by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board of Directors shall be open to all Unit Owners and notice of a special meeting shall be posted conspicuously on the Condominium Property at least fourteen (14) days in advance for the attention of the members of the Association, except in the event of an emergency.

4.8 Waiver of Notice. Any Directors may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

4.9 Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is specifically required by the Declarations, the Articles or these By-Laws.

4.10 Adjourned Meetings. If, at any proposed meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly

scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the president (who may, however, designate any other person to preside).

4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:

- (a) Proof of due notice of meeting;
- (b) Reading and disposal of any unapproved minutes;
- (c) Reports of officers and committees;
- (d) Election of officers;
- (e) Unfinished business;
- (f) New business;
- (g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Unit Owners, or their authorized representatives, and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.

4.14 Executive Committee; Other Committees. The Board of Directors may, by resolution duly adopted, appoint an Executive Committee to consist of members of the Board of Directors (but less than a quorum of the Board) with equal representation from the Condominium. Such Executive Committee shall have and may exercise all of the powers of the Board of Directors in management of the business and affairs of the Condominium during the period between the meetings of the Board of Directors insofar as may be permitted by law, except that the Executive Committee shall not have the power (a) to determine the Common Expenses required for the affairs of the Condominium, (b) to determine the Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium, (c) to adopt or amend any rules and regulations covering the details of the operation and use of the Condominium Property, or (d) to exercise any of the powers set forth in paragraph (g) and (p) of Section 5 below.

The Board may by resolution also create other committees and appoint persons to such committees and invest in such committees such powers and responsibilities as the Board shall deem advisable.

4.15 Proviso. Notwithstanding anything to the contrary contained in this Section 4 or otherwise, the Board shall consist of three (3) Directors during the period that the Developer is entitled to appoint a majority of the Directors, as hereinafter provided. The Developer shall have the right to appoint all of the members of the Board of Directors until Unit Owners other than the Developer own fifteen (15%) percent or more of the Units in the Condominium that will be operated ultimately by the Association. When Unit Owners other than the Developer own fifteen (15%) percent or more of the Units that will be operated ultimately by the Association, the Unit Owners other than the Developer shall be entitled to elect not less than one-third (1/3) of the members of the Board of Directors. Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Directors (a) three (3) years after fifty (50%) percent of the Units that will be operated ultimately by the Association have been conveyed to the Purchasers; (b) three (3) months after ninety (90%) percent of the Units that will be operated ultimately by the Association have been conveyed to Purchasers; (c) when all of the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the Developer in the ordinary course of business; (d) when some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business, whichever occurs first, or (e) seven (7) years after recordation of the Declaration of Condominium, the Developer is entitled to elect at least one member of the Board of Directors of the Association as long as the Developer holds for sale in the ordinary course of business at least five (5%) percent of the Units in the Condominium. Following the time the Developer relinquishes control of the Association, the Developer may exercise the right to vote any Developer-owned Units in the same manner as any other Unit Owner except for purposes of reacquiring control of the Association or selecting the majority members of the Board. The Developer is entitled (but not obligated) to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business five (5%) percent of the Units that will be operated ultimately by the Association. Upon election of the first Director by members other than the Developer, the Developer shall forward to the Division the name and mailing address of the Unit Owner Board member so elected. The Developer can turn over control of the Association to Unit Owners other than the Developer prior to such dates in its sole discretion by causing all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Unit Owners other than the Developer to elect Directors and assume control of the Association. Provided at least sixty (60) days' notice of Developer's decision to cause its appointees to resign is given to Unit Owners, neither the Developer, nor such appointees, shall be liable in any manner in connection with such resignations even if the Unit Owners other than the Developer refuse or fail to assume control.

Within seventy-five (75) days after the Unit Owners other than the Developer are entitled to elect a member or members of the Board of Directors, or earlier if the Developer has elected to accelerate such event as aforesaid, the Association shall call, and give not less than sixty (60) days' notice of an election of the Board of Directors. The election shall proceed in accordance with Paragraph 4.2. The notice may be given by any Unit Owner if the Association fails to do so.

Except as provided in Section 4.15(g) below, at the time Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association, the Developer shall relinquish control of the Association and shall deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Developer, including, but not limited to, the following items, if applicable:

(a) The original or a photocopy of the recorded Declaration of Condominium, and all amendments thereto. If a photocopy is provided, the Developer must certify by affidavit that it is a complete copy of the actual recorded Declaration and all amendments;

(b) A certified copy of the Articles of Incorporation for the Association;

(c) A copy of the By-Laws of the Association;

(d) The Minute Books, including all Minutes, and other books and records of the Association;

(e) Any rules and regulations which have been adopted;

(f) Resignations of resigning officers and Board members who were appointed by the Developer;

(g) Within ninety (90) days after turnover, the financial records, including financial statements, of the Association, and source documents since the incorporation of the Association to the date of turnover. The records shall be audited for the period from the incorporation of the Association or from the period covered by the last audit, if an audit has been performed for each fiscal year since incorporation, by an independent certified public accountant. All financial statements shall be prepared in accordance with generally accepted accounting principles and shall be audited in accordance with generally accepted auditing standards, as prescribed by the Florida Board of Accountancy, pursuant to Chapter 473, Florida Statutes. The accountant performing the audit shall examine to the extent necessary supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for Association purposes, and billings, cash receipts and related records to determine that the Developer was charged and paid the proper amounts of Assessments. To the extent required by law, the Developer

is required to bear all expenses of the Association and of the operation of the Condominium in excess of Assessments or other sums collected or due from Unit Owners or others prior to the time the Developer relinquishes control;

(h) Association Funds or the control thereof;

(i) All tangible personal property that is the property of the Association or is or was represented by the Developer in writing to be part of the Common Elements or is ostensibly part of the Common Elements, and an inventory of such property;

(j) A copy of the plans and specifications utilized in the construction or remodeling of the improvements and the supplying of equipment, and for the construction and installation of all mechanical components servicing the Improvements and the Condominium Property, with a Certificate, in affidavit form, of an officer of the Developer or an architect or engineer authorized to practice in Florida, that such plans and specifications represent, to the best of their knowledge and belief, the actual plans and specifications utilized in the construction and improvement of the Condominium Property and the construction and installation of the mechanical components serving the Improvements and the Condominium Property;

(k) A list of names and addresses, of which the Developer had knowledge at any time in the development of the Condominium, of all contractors, subcontractors, and suppliers utilized in the construction or remodeling of the improvements and landscaping of the Condominium Property.

(l) Insurance policies;

(m) Copies of any Certificates of Occupancy which may have been issued for the Condominium Property;

(n) Any other permits issued by governmental bodies applicable to the Condominium Property in force or issued within one (1) year prior to the date the Unit Owners take control of the Association;

(o) All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective;

(p) A roster of Unit Owners and their addresses and telephone numbers, if known, as shown on the Developer's records;

(q) Leases of the Common Elements and other Leases to which the Association is a party, if applicable;

(r) Employment contracts or service contracts in which the Association is one of the contracting parties, or

service contracts in which the Association or Unit Owners have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service; and

(s) All other contracts to which the Association is a party.

5. Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Condominium and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these By-Laws may not be delegated to the Board of Directors by the Unit Owners. Such powers and duties of the Board of Directors shall include, without limitation (except as limited elsewhere herein), the following:

(a) Operating and maintaining all of the Common Elements.

(b) Determining the expenses required for the operation of the Condominium and the Association.

(c) Collecting the Assessments for Common Expenses from Unit Owners and Residential and Commercial Charges.

(d) Employing and dismissing the personnel necessary for the maintenance and operation of the Common Elements.

(e) Adopting and amending rules and regulations concerning the details of the operation and use of the Condominium Property, subject to a right of the Unit Owners of the Condominium to overrule the Board as provided in Section 13 hereof.

(f) Maintaining bank accounts on behalf of the Association and designating the signatories required therefor.

(g) Purchasing, leasing or otherwise acquiring Units or other property in the name of the Association, or its designee.

(h) Purchasing Units at foreclosure or other judicial sales, in the name of the Association, or its designee.

(i) Selling, leasing, mortgaging or otherwise dealing with Units acquired by, and subleasing Units leased by, the Association, or its designee.

(j) Organizing corporations and appointing persons to act as designees of the Association in acquiring title to or leasing Units or other property.

(k) Obtaining and reviewing insurance for the Condominium Property.

(l) Making repairs, additions and improvements to, or alterations of, the Condominium Property, and repairs to and

restoration of the Condominium Property, in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings or otherwise.

(m) Enforcing obligations of the Unit Owners, allocating profits and expenses and taking such other actions as shall be deemed necessary and proper for the sound management of the Condominium.

(n) Levying fines against the Unit Owners for violations of the rules and regulations established by the Association to govern the conduct of such Unit Owners.

(o) Purchasing or leasing Units for use as housing by resident employees for the Condominium.

## 6. Officers.

6.1 Executive Officers. The executive officers of the Association shall be a President, a Vice-President, a Treasurer, and a Secretary (none of whom need be Directors), all of whom shall be elected by the Board of Directors and who may be peremptorily removed at any meeting by concurrence of a majority of all of the Directors. A person may hold more than one office, except that the President may not also be the Secretary. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board of Directors from time to time shall elect such other officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers need not be Unit Owners.

6.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.

6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as shall otherwise be prescribed by the Directors.

6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the members. He shall attend to the giving of all notices to the members and Directors and other notices required by law. He shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the secretary

of an association and as may be required by the Directors or the President.

6.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors for examination at reasonable times. He shall submit a treasurer's report to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board of Directors.

6.6. Developer Appointees. No officer appointed by the Board of Directors may be removed except as provided in Section 4.3 hereof and by law.

7. Compensation. Neither Directors nor officers shall receive compensation for their services as such, but this provision shall not preclude the Board of Directors from employing a Director or officer as an employee of the Association, nor preclude contracting with a Director or officer for the management of the Condominium or for any other service to be supplied by such Director or officer. Directors and officers shall be compensated for all actual and proper out-of-pocket expenses relating to the proper discharge of their respective duties.

8. Resignations. Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon the election of a successor. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Units owned by any Director or officer (other than appointees of the Developer, or officers who are not Unit Owners) shall constitute a written resignation of such Director or officer.

9. Fiscal Management. The provisions for fiscal management of the Association, set forth in the Declaration and Articles shall be supplemented by the following provisions:

9.1 Annual Budget.

(a) Adoption by Board; Items. Pursuant to the Declaration, the Board of Directors shall annually, or for such other shorter period as the Board of Directors shall elect, adopt the budget for the Association. The Board shall mail written notice of the time and place of the Board meeting in which the Budget will be considered, along with copies of the proposed budget OF Common Expenses and Charges, which notice shall be given to Owners not less than fourteen (14) days prior to the meeting. The meeting shall be opened to all Owners. If a budget adopted by this process requires Assessment or Charges against the applicable Owners, in any fiscal or calendar year, exceeding one hundred fifteen percent (115%) of the preceding year's Assessments or

Charges (as applicable), the Board, upon written application, received within twenty one (21) days after the adoption of the annual budget of ten percent (10%) of the Voting Interests, shall call a special meeting of the Owners within sixty (60) days, upon not less than fourteen (14) days' written notice to each Owner to consider a substitute budget. At this special meeting, Unit Owners shall consider and enact a budget. The adoption of such budget shall require a vote of not less than a majority vote of all the Voting Interests. In determining whether Assessments or Charges exceed one hundred fifteen percent (115%), any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Association not anticipated to be incurred on a regular or accrual basis, or Assessments and/or Residential Charges for improvements to the Condominium Property shall be excluded from the computation.

In addition to annual operating expenses, each budget shall include reserve accounts for roof replacement, building painting and pavement resurfacing and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000.00. The amount of reserves shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance of each reserve item. Although reserve accounts must be included in the budget, funding thereof may be waived if the appropriate members of the Association have, by a vote of the majority of the total voting interest voting in person or by limited proxy at a duly called meeting of the association, determined for a specific fiscal year to provide no reserves or reserves less adequate than required by this subsection.

(b) Adoption by Unit Owners At its option, the Board of Directors may propose a budget to the Owners at a meeting of members or in writing, and if the proposed Budget is approved by the Owners having a majority of the Voting interests, the budget shall be adopted. Any budget adopted by this process shall be final and not subject to the process set forth in 9.1(a) above, notwithstanding that it requires Assessments or Charges against the applicable Unit Owners exceeding one hundred and fifteen percent (115%) of the Assessments or Charges (as applicable) for the preceding year.

The adoption of a budget for each Condominium shall comply with the requirements hereinafter set forth:

(i) Notice of Meeting. A copy of the proposed budget for the Condominium shall be mailed to each Unit Owner in the Condominium not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting. The meeting shall be open to the Unit Owners.

(ii) Special Membership Meeting. If a budget is adopted by the Board of Directors which requires Assessments against such Unit Owners in any year

exceeding one hundred fifteen (115%) percent of such Assessments for the preceding year, as hereinafter defined, upon written application of ten (10%) percent of the Unit Owners, delivered within twenty one (21) days after the adoption of the budget, a special membership meeting shall be held within sixty (60) days of adoption of the annual budget. Each Unit Owner shall be given at least fourteen (14) days' notice of said meeting. At the special meeting, Unit Owners shall consider and adopt a budget. The adoption of said budget shall require a majority vote of Owners of the Units (including Units owned by the Developer) in the Condominium.

(iii) Determination of Budget Amount. In determining whether a budget requires Assessments against Unit Owners in any year exceeding one hundred fifteen (115%) percent of Assessments for the preceding year, there shall be excluded in the computations any authorized provisions for reasonable reserves made by the Board of Directors in respect of repair or replacement of the Condominium Property or in respect of anticipated expenses of the Association in respect of the Condominium which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded from such computation Assessments for improvements to the Condominium Property, and all special Assessments.

(b) Adoption by Membership. In the event that the Board of Directors shall be unable to adopt a budget for the Condominium in accordance with the requirements of Subsection 9.1(a) above, the Board of Directors may call a special meeting of Unit Owners in the Condominium for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection, or propose a budget in writing to the members of the Condominium, and if such budget is adopted by the members, upon ratification by a majority of the Board of Directors, it shall become the budget of the Condominium for such year.

9.2 Residential and Commercial Charges. Residential and Commercial Charges against the Unit Owners for their share of the items of the budget shall be made for the applicable fiscal year annually, if possible, at least ten (10) days preceding the year for which the Residential and Commercial Charges are made. Such Residential and Commercial Charges shall be due in equal monthly installments, payable in advance on the first day of each month of the year for which the Residential and Commercial Charges are made. If an annual Residential and Commercial Charge is not made as required, a Residential and Commercial Charge shall be presumed to have been made in the amount of the last prior Residential and Commercial Charge, and monthly installments on such Residential and Commercial Charges shall be due upon each installment payment date until changed by an amended Residential and Commercial Charge. In the event the annual Residential and

Commercial Charge proves to be insufficient, the budget and Residential and Commercial Charge may be amended at any time by the Board of Directors, subject to the provisions of Section 9.1 hereof, if applicable. Unpaid Residential and Commercial Charges for the remaining portion of the fiscal year for which an amended Residential and Commercial Charge is made shall be payable in as many equal installments as there are full months of the fiscal year left as of the date of such amended Residential and Commercial Charge, each such monthly installment to be paid on the first day of the month, commencing the first day of the next quarter. If only a partial month remains, the amended Residential and Commercial Charge shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution. Regular monthly installments shall be due one full month in advance.

9.3 Assessments. Assessments against the Unit Owners for their share of the items of the budget shall be made for the applicable fiscal year annually, if possible, at least ten (10) days preceding the year for which the Assessments are made. Such Assessments shall be due in equal monthly installments, payable in advance on the first day of each month of the year for which the Assessments are made. If an annual Assessment is not made as required, an Assessment shall be presumed to have been made in the amount of the last prior Assessment, and monthly installments on such Assessment shall be due upon each installment payment date until changed by an amended Assessment. In the event the annual Assessment proves to be insufficient, the budget and Assessment may be amended at any time by the Board of Directors, subject to the provisions of Section 9.1 hereof, if applicable. Unpaid Assessments for the remaining portion of the fiscal year for which an amended Assessment is made shall be payable in as many equal installments as there are full months of the fiscal year left as of the date of such amended Assessment, each such monthly installment to be paid on the first day of the month, commencing the first day of the next quarter. If only a partial month remains, the amended Assessment shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution. Regular monthly installments shall be due one full month in advance.

9.4 Assessments for Emergencies. Assessments for Common Expenses for emergencies that cannot be paid from the annual Assessments for Common Expenses shall be due immediately upon notice given to the Unit Owners, and shall be paid in such manner as the Board of Directors of the Association may require in the notice of Assessment.

9.5 Depository. The depository of the Association shall be such bank or banks in the State as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments, Charges or contributions to working capital may be commingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors. For investment purposes only, reserve funds may be

commingled with operating funds of the association. Commingling operating and reserve funds shall be accounted for separately and a commingled account shall not, at any time, be less than the amount identified as reserve funds.

9.6 Acceleration of Assessment or Charge Installments Upon Default. If a Unit Owner shall be in default in the payment of an installment upon an Assessment or Charge, the Board of Directors or its agent may accelerate the remaining installments of the Assessment or Charge upon notice to the Unit Owner, and the then unpaid balance of the Assessment or Charge shall be due on the date the claim of lien is filed as provided in Article 12 of the Declaration and Section 718.116, Florida Statutes.

9.7 Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. As used in this section, the term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks, and the President, Secretary and Treasurer of the Association. The Association shall bear the cost of bonding.

9.8 Accounting Records and Report. The Association shall maintain accounting records in the State, according to accounting practices normally used by similar associations or the manager (if any) under any applicable management contract. The records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Unit designating the name and current mailing address of the Unit Owner, the amount of each Assessment or Charge, the dates and amounts in which the Assessments or Charges come due, the amount paid upon the account and the dates so paid, and the balance due. Written summaries of the records described in clause (a) above, in the form and manner specified below, shall be supplied to each Unit Owner annually.

Within ninety (90) days following the end of the fiscal year, the Board shall mail, or furnish by personal delivery, to each Unit Owner a complete financial report of actual receipts and expenditures for the Condominium for the previous twelve (12) months. The report shall show the amounts of receipts by accounts and receipt classifications and shall show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

- (a) Cost for security;

- (j) Reserves for capital expenditures, deferred maintenance and any other category for which the Association maintains a reserve or reserve account.

9.9 Application of Payment. All payments made by a Unit Owner shall be applied as provided in these By-Laws and in the Declaration or as determined by the Board.

9.10 Notice of Meetings. Notice of any meeting where Assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that Assessments will be considered and the nature of any such Assessments.

10. Roster of Unit Owners. Each Unit Owner shall file with the Association a copy of the deed or other document showing his ownership. The Association may rely upon the accuracy of such information, for all purposes until notified in writing of changes therein as provided above. Only Unit Owners of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Owners shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

11. Parliamentary Rules. Roberts' Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Declaration, the Articles or these By-Laws.

12. Amendments. Except where the Declaration provides otherwise, these By-Laws may be amended in the following manner:

Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that such approval is delivered to the Secretary at or prior to the meeting. The approval must be:

No amendment shall be made that is in conflict with the Articles or Declaration. No amendment to this section shall be valid.

12.4 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of the Declaration and By-Laws, which certificate shall be executed by the President or Vice-President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed, or by the Developer alone if the amendment has been adopted consistent with the provisions of the Declaration allowing such action by the Developer. The amendment shall be effective when the certificate and a copy of the amendment is recorded in the Public Records of the County.

13. Rules and Regulations. Attached hereto as Schedule A and made a part hereof are rules and regulations concerning the use of portions of the Condominium. Fines may be levied against an Owner, occupant, family, guest, invitee, lessee or employee for failure of an Owner, his family, guests, invites, lessees or employees, to comply with any covenant, restriction, rule or regulation herein or in the Declaration, or Articles of Incorporation or By-Laws, provided the following procedures are adhered to:
